

Technical drawing of a four-panel sliding door system. The drawing shows a side elevation with dimensions. The total width is 4564, divided into four panels of 1030, 1000, 1240, and 1240. The total height is 2700, with a panel height of 2350. Arrows indicate the sliding direction. A small detail of the door's edge is shown on the left.

Technical drawing showing the dimensions of a door and window assembly. The door on the left has a width of 1530 mm and a height of 2700 mm. The window on the right has a total width of 4564 mm and a height of 2350 mm. The window is divided into four vertical panes, each 1000 mm wide, with the outer panes being 1240 mm wide. Arrows indicate the opening direction for the window panes.

Technical drawing of a storage unit with dimensions and labels:

- Overall Dimensions:**
 - Width: 9 524
 - Height: 2 700
- Grid Dimensions:**
 - Column Widths: 2 480, 1 000, 2 480, 1 000, 2 480
 - Row Heights: 2 550, 2 550
- Labels:**
 - Row labels (left): 6, 5, 4, 3, 2, 1
 - Column labels (top): 6, 5, 4, 3, 2, 1
- Details:**
 - A door is shown on the left side with a width of 1 560.
 - A handle is located on the door.
 - A lock mechanism is shown on the right side of the grid.

Technical drawing of a window assembly. The drawing shows a cross-section of the window frame and glazing. Key dimensions and labels include:

- Overall width: 9 524
- Segment widths (from left to right): 1 560, 2 480, 1 000, 2 480, 1 000, 2 480.
- Overall height: 2 700
- Internal height: 2 550
- Labels: "A" (pointing to the left side of the frame), "B" (pointing to the right side of the frame), "C" (pointing to the bottom of the frame), "D" (pointing to the top of the frame).
- Arrows: A series of arrows pointing left and right, indicating the movement of the window sashes.

Technical drawing of a 10-door wardrobe system. The drawing shows a side view of the wardrobe with dimensions. The total width is 9524 mm, divided into segments of 1030, 2480, 1000, 2480, 1000, and 2480 mm. The total height is 2550 mm, with a door height of 2100 mm. The drawing includes a door with a handle and a lock, and arrows indicating the opening direction of the doors.

Technical drawing of the 'Linea' shelving system, showing a side view and a front view.

Side View Dimensions:

- Door width: 1030
- Main shelving unit width: 5720
- Total width: 9524
- Shelving unit height: 2700
- Door height: 2350

Front View Dimensions:

- Column widths: 1000, 1000, 1240, 1240, 1240, 1240, 1240, 1240
- Row heights: 2700, 2350, 510, 510
- Total height: 4510

Technical drawing of a 10-drawer cabinet. The drawing includes a side view on the left and a front view on the right. The side view shows a total height of 2,700 mm, with a top section of 2,550 mm and a bottom section of 150 mm. The front view shows a total width of 9,524 mm, divided into sections of 1,030 mm, 2,000 mm, 2,480 mm, 2,480 mm, and 2,480 mm. The front view also shows a total depth of 450 mm, divided into sections of 50 mm, 150 mm, and 250 mm. The drawers are arranged in two rows of five. The top row of drawers is labeled 1.1 to 1.5, and the bottom row is labeled 2.1 to 2.5. The drawers have a width of 1,000 mm for the first two and 1,240 mm for the remaining three in each row. The drawers are shown with a handle and a lock mechanism.

Technical drawing showing a horizontal line with dimension lines and values 1 230 and 9 524.

Technical drawing of a window unit. The drawing includes a side elevation on the left and a top elevation on the right. The side elevation shows a vertical profile with a width of 430 and a height of 2,560. A small rectangular detail is shown within the profile. The top elevation shows a horizontal profile with a total width of 6,284, divided into five equal segments of 1,240 each. The drawing also shows a cross-section of the window unit, indicating a depth of 2,100. The unit is shown in a green color.
