

Technical drawing of a concrete structure (BETONU 14 mm) showing dimensions and annotations. The drawing includes a cross-section of a wall with a base and a top section. Key dimensions include: total height 3195, base width 1300, top width 400, and various offsets. Annotations include '03.2/06/01', '03.2/06/02', '1/P', and '2/P'. A scale bar indicates 0, 1, 2 meters.

[illegible]

Technical drawing of a rectangular plot, oriented horizontally. The drawing includes dimensions and labels for various points and areas.

**Dimensions:**

- Top edge:** Total width 8000. Segments: 2000 (left), 4005 (middle), 2000 (right).
- Bottom edge:** Total width 8000. Segments: 1380 (left), 4815 (middle), 1805 (right).
- Left edge:** Total height 3190. Segments: 100 (top), 1995 (middle), 1200 (bottom).
- Right edge:** Total height 2890. Segments: 100 (top), 1690 (middle), 1200 (bottom).
- Internal dimensions:**
  - Top-left corner: 554.73 (width), 554.81 (height).
  - Top-right corner: 554.91 (width), 552.02 (height).
  - Bottom-left corner: 551.54 (width), 551.56 (height).
  - Bottom-right corner: 551.96 (width), 552.02 (height).
  - Internal horizontal distance from left edge to a vertical dashed line: 450.
  - Internal horizontal distance from a vertical dashed line to the right edge: 2440.
  - Internal vertical distance from top edge to a horizontal dashed line: 500.
  - Internal vertical distance from a horizontal dashed line to the bottom edge: 500.

**Labels and Markers:**

- 03.2/06/02**: Label in the top-left area, pointing to a point marked with a circle and a cross.
- 03.2/06/01**: Label in the bottom-left area, pointing to a point marked with a circle and a cross.
- 1/P**: Label in the top-left area, pointing to a point marked with a circle and a cross.
- 4/P**: Label in the top-right area, pointing to a point marked with a circle and a cross.
- 2/P**: Label in the bottom-right area, pointing to a point marked with a circle and a cross.
- 4/P**: Label in the bottom-right area, pointing to a point marked with a circle and a cross.
- 1/P**: Label in the bottom-right area, pointing to a point marked with a circle and a cross.
- BALVANITÝ SKLUZ**: Label in the bottom-right area, pointing to a point marked with a circle and a cross.

**Orientation and Scale:**

- The drawing is oriented horizontally, with the top edge labeled "2" and the bottom edge labeled "3".
- The left edge is labeled "5" and the right edge is labeled "3".
- The drawing is a technical drawing, likely a site plan or a map, showing a rectangular plot with various dimensions and labels.

**SCHEMA BLOKŮ**

The diagram illustrates the layout of 15 blocks, labeled 03.2/01 to 03.2/15, arranged along a curved path. Block 03.2/06 is highlighted in black. The blocks are numbered sequentially from left to right, following the curve of the path.
