

The diagram illustrates a road construction site with a central green rectangular area representing the work zone. Traffic cones are placed around this area to guide traffic. On the left side, a vertical line represents the edge of the road, with a downward arrow indicating traffic flow. A sign A15 (a red triangle with a black silhouette of a person digging) is positioned above the line, with a yellow circle containing the number 1 below it. The text '02-09' and '50-70' are written above the sign. On the right side, a vertical line represents the edge of the road, with an upward arrow indicating traffic flow. A sign A15 is positioned below the line, with a yellow circle containing the number 1 above it. The text '50-70' and 'A15' are written below the sign. A horizontal double-headed arrow labeled 'min. 2,75' indicates the minimum width of the work zone. A vertical double-headed arrow labeled 'max. 50' indicates the maximum length of the work zone. The text '1)' and '2)' are placed near the horizontal and vertical arrows respectively.
