

The map shows the Svitava river flowing through the village of Svitávka. The proposed bypass is marked with a blue line and green elevation markers. Key points along the bypass are labeled with their relative kilometer (ř.km) values: ZÚ 1 (ř.km 0,000), ZÚ 2 (ř.km 0,607), KÚ 1 (ř.km 0,595), and KÚ 2 (ř.km 0,840). The map also shows the existing river course and the surrounding landscape, including fields and buildings.
