

Technical cross-section drawing of a stone retaining wall with a central opening and a roof structure. The drawing includes dimensions for height, width, and depth, as well as material patterns for stone, brick, and concrete.

Dimensions:

- Overall height: 1600
- Height of the stone wall section: 1000
- Height of the brick section: 460
- Height of the concrete base: 200
- Width of the stone wall section: 7475
- Width of the brick section: 2150
- Width of the concrete base: 353.18
- Height of the roof structure: 355.58

Materials:

- Stone wall (rough stone pattern)
- Brick wall (brick pattern)
- Concrete base (diagonal hatching)
- Roof structure (vertical lines)

Labels:

- ŘEZ C-C' (Cross-section C-C')
- 353.18 (width of the concrete base)
- 2150 (width of the brick section)
- 7475 (width of the stone wall section)
- 1000 (height of the stone wall section)
- 1600 (overall height)
- 460 (height of the brick section)
- 200 (height of the concrete base)
- 355.58 (height of the roof structure)
