

Architectural floor plan of a building with a gabled roof. The plan shows a central corridor (labeled '1') connecting two main rooms (labeled '2' and '3'). The left room (2) has a large window and a door. The right room (3) has a gabled roof and a door. The plan includes dimensions for room sizes, corridor width, and overall building footprint. A red 'X' marks a specific location in the corridor. A hatched area indicates a structural element or foundation.
